PROFILE

"Innovative and results-driven Full Stack Developer with expertise in designing, developing, and deploying scalable web applications. Skilled in both front-end and back-end technologies, delivering seamless user experiences and robust system performance. Adept at collaborating with cross-functional teams, solving complex problems, and driving projects from concept to completion. Passionate about writing clean, efficient code, staying ahead of emerging technologies, and contributing to high-impact software solutions."

WORK EXPERIENCE

Profenaa Infotech   2025 - PRESENT
Fullstack Developer

- Developed and maintained responsive web applications using modern front-end (HTML, CSS, JavaScript, React) and back-end (Node.js, Express) frameworks.
- Built RESTful APIs and integrated third-party services to enhance application functionality.
- Optimized codebase for performance, scalability, and maintainability, reducing load time by 15%.
- Collaborated with cross-functional teams to gather requirements, design solutions, and ensure timely delivery of projects.
- Deployed applications on cloud platforms and monitored performance for continuous improvement.
